

What We Need From You

A simple checklist to take your website live · 1 August 2026

Hi 🙌 The website is coming along really well! To move to the next stage and get you ready to go live, here are the things we need from you. We've split them into what's **urgent** vs. what can come later. Items 1–4 are what we're waiting on right now.

🔴 MOST IMPORTANT — NEEDED NOW

1 Book prices

For every book on the site, please send the selling price — paperback price and e-book price (and hardcover price if you offer it). Right now the books show temporary placeholder prices.

2 Book launch photos

Please share the actual photographs from the celebrity book launches (celebrities holding the books on stage) as image files (JPG/PNG). We currently only have them inside the PDF, which can't be used directly on the website.

3 Two missing covers

The cover image for (a) DAA Magazine — any one magazine cover, e.g. "T Town Beauty Icon" or "She & Her", and (b) the book "The Last Roar".

4 Details for the extra book covers

For the covers you sent that we haven't listed yet (SHE, Nijam The Truth, Kurchilata, Sundharkhand, Vaaruni Vaahini, Na Blogotham, Pranamille Paadalu) — please share the **author name, language, and price** for each.

🟠 NEEDED BEFORE WE CAN TAKE REAL PAYMENTS & GO LIVE

1 Payment setup

A Razorpay account with the Key ID and Key Secret (test keys are fine to begin). This automatically enables Google Pay, PhonePe, UPI, and card payments.

2 Website address (domain)

The domain name you want (e.g. scratchbookpublications.com) and access to it.

3 Contact email

The email address where you'd like to receive enquiries from the website's contact form.

● CONTENT & POLICIES — CAN BE SHARED GRADUALLY

1 **Service / package prices**

Prices for your publishing packages (SB Basic → SB Radium, SBSP 1–10) and individual services. These are currently blank.

2 **Contact details**

Your official email, phone number, address, and social media links (Instagram, YouTube, DAA magazine, etc.).

3 **Legal text**

Terms & Conditions, Privacy Policy, and a Refund & Shipping policy (this last one is required by the payment gateway before going live). We can draft these for your approval if you prefer.

4 **Blog & magazine content**

Any articles and magazine PDFs/covers you'd like featured.

Quick summary

Prices for all books · launch photos + 2 missing covers · details for extra covers · Razorpay keys · domain · a contact email. The rest can follow in stages. Thank you! 🙏
